

## TYPE APPROVAL WORKSHOP

The Botswana Communications Regulatory Authority (BOCRA) in collaboration with LS of South Africa will host a stakeholder consultative workshop for equipment approval (type approval) on the 11th February 2016 at a BOCRA Spectrum house in Phakalane.

The workshop which will be open to all involved in procurement of communications equipment and shall discuss the following:

- The proposals from review of Type Approval Regime;
- The revised Type Approval Procedures; and
- The revised technical specification for telecommunication equipment, new broadcasting equipment standards, labelling of equipment and the revised fees.

The detailed proposals or draft reports bearing on the above can be downloaded at [www.bocra.org.bw](http://www.bocra.org.bw) namely

1. *BOCRA Part 1 Report Review of Type Approval Technical Standards and Procedures version2.pdf* and
2. *Part 2 Review Type Approval Procedures version2\_1.pdf*
