Areas Which Need Disinfection: Metsimotlhabe COVID-19 Positive Cases

Botswana has been affected by the Covid-19 pandemic and has reported cases in Gaborone, Ramotswa, Metsimotlhabe, Siviya, Mahalapye and Molepolole.

We recommend that the following places be closed until disinfection and the employees be tested for Covid-19 as soon as possible due to possible contact with COVID-19 positive cases:

- Metsimotlhabe Choppies
- Saverite Metsimotlhabe
- Regent School in Metsimotlhabe
- Metsimotlhabe Butchery
- Fours Supermarket Mogoditshane
- Shell and Engen Filling stations in Metsimotlhabe
- Spar by the Engen Filling station Phakalane
- Chicken Licken Mogoditshane
- Metsimotlhabe clinic
- Liquorama Block 8

Thank you.
