In the advent of COVID-19, this year's Summit, which marks the 20<sup>th</sup> Anniversary of the UN Global Compact is held under the theme, "***Recover Better, Recover Stronger, Recover Together***". This Summit will virtually bring together global leaders from government, UN, business, academia, and civil society to explore ways in which the global community can rebuild more inclusive economies and societies that also, promote a more climate resilient world.

His Excellency the President will deliver the opening remarks at the High-Level Session on "***Raise SDG Ambition to Build Back Better and Recover Stronger***" which will be held on **16<sup>th</sup> June 2020 from 11:00hrs-12:00hrs**. It is anticipated that this Summit will spur collective action towards stronger recovery and more resilient economies against COVID-19 and other future pandemics.
