

***Development of a
National Broadband Strategy***
NBS Policy objectives

Workshop
Gaborone, 9-10 April 2013

NBS Policy objectives - Section 6.5

NBS – A product of and supports the implementation of other Govt Policies:

- a. The National Vision 2016:
 - Educated & Informed;
 - Prosperous, Productive and Innovative
- b. National ICT Policy (Maitlamo) \Rightarrow ICT & Economic Diversification
- c. Economic Diversification Drive \Rightarrow Excellence Botswana (Botswana Innovation Hub).
- d. E-Government Strategy \Rightarrow e-Government Services and Productivity
- e. National Human Resource Development Strategy:
 - Factor \Rightarrow Efficiency \Rightarrow Innovation Driven.

NBS central to the achievement of these and other Govt policies.

Question 8: Do the policy objectives presented in this outline of the NBS as well as the recommended legal and regulatory tools adequately cover the general ambition that the National Broadband Strategy should have?

Thank you for your attention
